

Healing

Request	Requester
<p>I am a God-loving woman who acknowledges Jesus as the Messiah and our intercessor to our Heavenly Father. I have accepted Jesus Christ as my Lord and Saviour. I believe God can use you for my healing. He can minister and impact healing to my physical body through you. I need healing of my knee joint, complete restoration to perfect health and proper functioning. I am desperate for God's move and touch in my bones, ligaments, cartilage of my knee joints. I believe God is Supreme and a Divine Manufacturer, Hallelujah! I know He can but I want the healing to manifest physically NOW. I do want to suffer any more.</p>	<p>Pamela</p>
